Notice of Allowance

This is the Notice of Allowance for application number 10/661,555 Tilt-Swivel Stand, filed on 9/15/03. Claims 11-18 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The applicant's Reply, dated 9/2/04 are persuasive. The applicant has argued that the double patenting rejection applied to claims 11, 12 and 14-18 should be withdrawn as this applicant is a divisional application of parent application/issued patent 6644616. The required election of species in the parent application, subsequently required the non-elected species to be prosecuted in the present application. The double patenting rejection is hereby withdrawn.

The prior art does not show that the connector for connecting the base member to the movable member in a tilting and swiveling relationship, the connector including a protrusion formed as a single part with the base member and extending from the base member.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
